To Our Valued Customers:

We are pleased to announce the introduction of an end user finance program. Through our financing partner GreenSky®, participating contractors will have the ability to offer financing up to \$55,000 to end users and consumers when purchasing Lochinvar boilers, water heaters, pool heaters and storage tanks.

GreenSky® is a leader in end-user financing, has among the highest approval rates in the industry and offers multiple financing options to meet various customer needs. The application process is fast and easy, in most cases, contractor funding will be available the same day as the application.

For more information on GreenSky see the included literature or visit them at www.greenskycredit.com/sponsor/lochinvar.

Help us make this a resourceful tool by sharing this information at your counters, with your associates and at all points of sale.

For additional copies of literature please contact the literature department at literature@lochinvar.com

Sincerely,
